

# AMAGER Ladies CUP 2022

---

*Amager Underwater rugby club hereby invites you to a one-day uw-rugby tournament in Copenhagen, Denmark.*

## ***Time and place***

The cup will be held on April 9<sup>th</sup>, 2022 from 8:00 – 21:00 (UTC+01:00). First game will start app. 8:20<sup>1</sup>. The pool: [Frankrigsgade Svømmehal](#), the address is Frankrigsgade 35, 2300 København S. Entrance is allowed for showering from 7.45. It's right by the Metro, and therefore just 10 minutes from the metro station at the airport. We ARE flexible, should some teams prefer a certain flight etc. We will shape the game schedule to fit better for all.

## ***Need a place to sleep from/to Saturday?***

Should your team need a place to sleep, please ask per mail. Maybe we can help out.

## ***Pool information***

The pool dimensions: 12,5m \* 10m \* 3,8m. The goals are *bolted* to the bottom.

## ***Referees***

We have referees and they will take on as many games as possible. But teams will be asked to muster 1 referee at some games.

## ***Game plan and enrollment***

We prefer that teams play all vs all, to meet different teams. But this will depend on the number of enrolled teams. We cannot fit in more than 10-12 teams on this day, and should it be necessary to prioritize who will get to join, we will determine by the payment date.

## ***Rules of the day and participation***

- There will be no team leader meeting, instead a mail will be sent some days before the cup with certain guidelines etc. Please follow the Facebook group.

---

<sup>1</sup> If there are many enrolled teams, we will start a bit earlier. So +/- depending on number of teams.

# AMAGER Ladies CUP 2022

---

- Mix teams are naturally allowed (women from different clubs can play on same team). No one can play one more than one team.
- Certain exceptions from the CMAS rules due to time restrictions etc.
  - Shorter games (dependent on the number of teams)
  - no timeout (again, unless we are fewer teams)
